# WELCOME TO OUR COMPANY

At ModularKart, we bring innovation and craftsmanship together to create premium modular furniture for homes and offices. Backed by over 30 years of expertise under our parent company Nav Jyoti Furniture Industries, we specialize in delivering solutions that combine design, durability, and functionality.

## Company Description

Founded in 1994, we have been delivering high-quality modular furniture for modern lifestyles. In 2025, we launched ModularKart to offer contemporary, customizable, and efficient solutions. With a 5,000 sq. ft. facility, skilled team, and a soon-to-open showroom in Kirti Nagar, we proudly serve architects, designers, corporates, and homeowners.

# ABOUT US

**Established in 1994 in Jhandewalan, Nav Jyoti Furniture Industries has been a pioneer in modular furniture manufacturing for over three decades. With a strong focus on precision, quality control, and efficient production, we deliver premium solutions tailored to modern needs.**

**Our product range includes:**

**Modular Office Furniture – Workstations, conference tables, desks, and storage solutions**

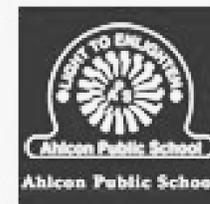

**Modular Home Furniture – Wardrobes, TV units, and kitchen cabinets.**

**Customized Solutions – Designed for both residential and commercial spaces**

**In 2025, we expanded our vision by launching ModularKart, a dedicated brand offering premium modular furniture solutions with a modern, customer-centric approach.**

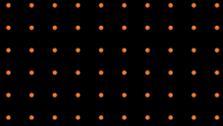

**Current production capacity: 36,000+ units annually, scalable to 50,000+ units with existing infrastructure.**
